

We want to bring the library to your home!

The Home Delivery program of the Thomas St. Angelo Public Library of Cumberland supplies materials to individuals who are unable to use the library because of ongoing limitations.

Interested in volunteering?

Experience the rewards of helping others. Homebound individuals who would not typically have access to library materials can now have them delivered, by you!

We do require you complete a simple training course and be willing to commit to at least one year of service. A background check, valid driver's license and proof of car insurance are also required.

If you are interested, fill out the attached form and mail it to us or you can drop it off at our front desk. If you have questions call us at 715-822-2767.
